opens at the H&R Block Artspace
July 23 – October 14, 2021

Kansas City, Mo. (July 14, 2021) – The H&R Block Artspace at the Kansas City Art Institute is pleased to present the *2021 Kansas City Flatfile & Digitalfile*, featuring artwork by over 270 regional emerging and established visual artists.

As a signature Artspace event hosted as a biennial exhibition since 2001, the *Kansas City Flatfile & Digitalfile* is a celebrated tradition that offers artists and art lovers a unique way to share and discover new two-dimensional and time-based works and gather as a community.

Visitors are invited to explore Flatfile cabinets filled with custom-made artist portfolios containing a diverse range of flat works and view time-based works included in the Digitalfile. Throughout the exhibition, guest curators will create salon walls that feature a rotation of artworks and screening queues to offer visitors a dynamic and ever-changing experience.

The Artspace is open and free to all. To protect the well-being of visitors, masks and social distancing are requested for unvaccinated visitors during public hours, Wednesday through Saturday, 12:00 - 5:00 p.m. (There will be no opening reception for this exhibition.)
